DETAILED REPORT OF THE ACTIVITY	Under the aegis of IQAC, a Guest Lecture on 'From Learning to Earning' was successfully organized on 20th August, 2025 by the 'Students' Guidance and Placement Cell' of our College. The Programme was aimed at promoting skill-based education and creating awareness about employment-oriented opportunities among students. The Resource Person for the Session Mr. Akhilesh Mohod from ICICI Foundation delivered an insightful lecture on the importance of acquiring practical skills for sustainable livelihood. He emphasized the importance of the 45-day Certificate Course titled <i>"Troubleshooting and Up-keeping of Home Appliances"</i> and highlighted its relevance in today's job-oriented scenario. His Session motivated students to focus on skill development alongside academic learning. Mr. Shubham Nandardhane, Master Trainer of the Certificate Course, also graced the occasion and provided valuable inputs regarding the training process and career prospects associated with the said Course. Asso. Prof. Dr. R. K. Quraishi, Department of English, was present on the Dais and conducted the Proceedings of the programme smoothly. The Event was organized under the able guidance of Dr. Jobi

	George, the Principal of our College. The Programme was concluded with the formal Vote of Thanks proposed by Mr. Shubham Nandardhane. A total of 48 students attended the Programme and were benefited from the informative Session.
PROGRAMME OBJECTIVES	• To promote skill-based education among students. • To create awareness about employment-oriented courses. • To guide students in making informed about career choices. • To emphasize the importance of practical skills for livelihood. • To bridge the gap between academic learning and industry requirements. • To motivate our students towards self-reliance and entrepreneurship. • To enhance students' employability skills in the modern job market.
PROBLEMS FACED, IF ANY	The organization of the guest lecture, though successful, involved certain challenges. One of the primary difficulties was ensuring active student participation and awareness about a skill-based course that lies outside the conventional academic curriculum. This was addressed through effective communication and motivation by the Organizing Committee, which highlighted the practical benefits and career prospects of the course. Another challenge was coordinating the availability of the Resource Person and aligning the schedule with students' academic timetables. The Committee managed this efficiently through prior planning and flexible scheduling, ensuring maximum participation without disrupting regular classes. Thus, through teamwork, planning, and effective coordination, the Organizing Committee successfully overcame these challenges and ensured the smooth conduct of the Programme.
IMPACT/OUTCOME ACHIEVED	• Promoted skill-based education among students. • Created awareness about employment-oriented courses. • Guided students in making them informed about their career choices.

	• Emphasized the importance of practical skills for livelihood. • Tried to bridge the gap between academic learning and industry requirements. • Motivated students towards self-reliance and entrepreneurship. • Tried to enhance students' employability skills in the modern job market.
ANALYSIS REPORT OF THE FEEDBACK OBTAINED FROM STUDENTS/ BENEFICIARIES/ ACADEMIC PEERS ETC.	The Resource Person, Mr. Akhilesh Mohod, expressed his appreciation for the enthusiastic participation and keen interest shown by the students. He commended the College for organizing such a meaningful Programme that bridges the gap between academic learning and practical skills. He noted that the attentive audience and interactive environment made the session highly engaging and impactful. The participants shared very positive feedback, stating that the lecture was informative, motivating, and relevant to current career needs. They found the insights on skill development and employment opportunities particularly valuable. Many students appreciated the clarity with which the Certificate Course was explained and felt inspired to explore skill-based training for better career prospects. Overall, the Programme was regarded as highly beneficial and encouraging.
