BRIEF REPORT	In accordance with the Official letter from Rashtrasant Tukadoji Maharaj Nagpur University dated 20 th September, 2021 our

	College, under the banner of ‘Students’ Insurance Scheme’, has initiated an Insurance Programme for its students. The Insurance Scheme aims to provide coverage to all the enrolled students of the College. Under the expert guidance of our Principal, the Insurance Programme was meticulously organized. The process commenced with the beginning of the Academic Session, and the initiative was seamlessly integrated into the admission procedures. Comprehensive information about the Insurance Scheme was disseminated to each and every student. A total of 1124 students from our College were enrolled in this Insurance Scheme during the Academic Session 2025-2026. To facilitate this coverage, a nominal one-time premium of Rs. 40/- was collected from each student. This amounted to a cumulative sum of Rs. 44960 /-. The funds were duly deposited in the form of a Demand Draft, favouring New India Insurance Company Ltd., Nagpur Branch. Now our College successfully entered into a Memorandum of Understanding (MoU) with New India Insurance Company on 15th June, 2023 to facilitate this Programme more effectively. We acknowledge the significance of this insurance Programme in safeguarding the interests of our students and their families during unforeseen circumstances. This initiative stands as a testament to our dedication to the welfare of our students and the seamless co-operation between our College and New India Insurance Company Limited.
PROGRAMME OBJECTIVES	● To enhance the overall welfare of our students by offering them an insurance cover, thereby reducing financial burdens on their families during difficult times. ● To provide financial protection to enrolled students and their families in case of unfortunate events such as accidents or untimely demise. ● To disseminate comprehensive information about the Insurance Scheme among students to promote financial

	literacy among the participants. ● To provide substantial financial support to beneficiaries, thereby positively impacting the lives of students and their families during challenging times. ● To mark the substantial contribution in executing Institutional Social Responsibility.
PROBLEMS FACED, IF ANY	Communication: Ensuring that every student is well-informed about the Insurance Scheme and understands its benefits and procedures, were challenging ventures for the Committee. Insurance Provider Cooperation: Collaborating effectively with the Insurance Company and resolving any issues or disputes were challenging assignments for the Committee. To address these potential challenges, it was essential to have a well-structured Programme with clear communication channels, efficient administrative processes and on-going support and engagement strategies for the students. Regular evaluations and adjustments of the Programme helped the Committee to mitigate these issues and ensured its success in safeguarding students' interests.
PROGRAMME OUTCOMES	● Disseminated the comprehensive information about the Insurance Scheme among the students for promoting financial literacy among the participants. ● Provided financial protection to enrolled students and their families in case of unfortunate events such as accidents or untimely demise. ● Enhanced the overall welfare of students by offering them an insurance cover, thereby reducing financial burdens on their families during difficult times. ● Marked substantial contribution in executing Institutional Social Responsibility. ● Provided substantial financial support to beneficiaries, thereby positively impacting the lives of students and their families during challenging times.
