NUMBER OF STUDENTS/BENEFICIARIES	50
DETAILED REPORT OF THE ACTIVITY	On the auspicious occasion of 'National Science Day', the Subject Literary Association of Zoology, under the aegis of Internal Quality Assurance Cell (IQAC), organized **Scientia-26: State-Level "Students' Seminar Competition"** on 28th February, 2026. This intellectually enriching event was designed with the primary objective of fostering a scientific temperament among students and encouraging them to explore, analyze, and present their innovative ideas and Research findings. By offering a competitive yet collaborative platform, the Seminar was aimed to enhance students' academic confidence, promote interdisciplinary thinking and nurture a culture of scientific curiosity. The Seminar witnessed the enthusiastic participation of students from various Colleges across the state, who showcased their understanding of diverse Scientific topics through well-researched and engaging presentations. The event not only celebrated the spirit of Science but also strengthened academic collaborations and healthy exchange of knowledge among Institutions. The Competition witnessed the active participation of 50 students from various colleges across the State. The Event was aimed to promote scientific temperament and innovative thinking among students. The Event was presided over by Prof. Dr. Sunil Shinde, who emphasized the importance of

	scientific inquiry and rational thinking in nation-building. The Co-ordinator of Internal Quality Assurance Cell (IQAC) Asso. Prof. Dr. Anita Mahawadiwar highlighted the role of academic platforms like 'Scientia–2026' in enhancing students' presentation skills and research orientation. The Organizing Secretary, Asst. Prof. Dr. Ashwini Dhonge, welcomed the dignitaries and participants, outlining the objectives of the Seminar Competition. The Programme was efficiently coordinated by Asst. Prof. Amit Thakare, who ensured the smooth execution of the Event. The Proceedings of the Event was gracefully conducted by Asst. Prof. Dhammadip Sahare, who maintained the enthusiasm and flow of the Programme throughout the Session. The evaluation of Presentations was carried out by the esteemed judges, Asst. Prof. Dr. Sachin Kubde and Asst. Prof. Ashwini Ramteke, who assessed the participants based on content quality, originality, presentation skills, and overall impact. After a thoughtful and rigorous evaluation, the results were announced: Mr. Pranav Ramchandra Lavhe from Suryodaya College of Engineering and Technology, Nagpur;secured the First Prize. The Second Prize was secured by Mr. Saurav Bisan Sontakke from Science College, Pauni (Dist: Bhandara) and the Third Prize was won by Ms. Ruchi Shivshankar Kawale from Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur. The Organizing Committee played a vital role in the grand success of the Event.
PROGRAMME OBJECTIVES	• To promote awareness about science and innovation • To promote Inter-Collegiate Collaboration and Knowledge-sharing among students and faculty members of the State. • To celebrate 'National Science Day' by emphasizing the importance of Scientific Research and Innovation. • To encourage the students to engage in scientific

	discussions and Research-based presentations. • To develop critical thinking, analytical aptitude, and communication skills among students. • To provide a platform for the students to present their ideas confidently in an academic setting.
PROBLEMS FACED, IF ANY	• **Time Management**: Coordinating multiple Presentations within the scheduled timeframe was challenging.
IMPACT/OUTCOME ACHIEVED	• Promoted awareness about science and innovation • Promoted Inter-Collegiate Collaboration and Knowledge-sharing among students and faculty members of the State. • Celebrated'National Science Day' by emphasizing the importance of Scientific Research and Innovation. • Encouraged students to engage in scientific discussions and Research-based presentations. • Tried to develop critical thinking, analytical aptitude, and communication skills among students. • Provided a platform for the students to present their ideas confidently in an academic setting.
ANALYSIS REPORT OF THE FEEDBACK OBTAINED FROM STUDENTS/ BENEFICIARIES/ ACADEMIC PEERS ETC.	• Participants found the experts' Feedback valuable for improving their future presentations. • The hybrid mode allowed the students from distant locations to participate, which was well-received. • Some students suggested more interactive Sessions and discussions with experts to enhance learning. • Overall, students expressed their enthusiasm for similar Events in the future.

GEOTAG PHOTO GALLERY WITH CAPTIONS (Only GEOTAG photos covering the entire gamut/ span of the activity will be accepted)	 Asst. Prof. Dhammadip Sahare conducting the Proceedings of the Event  Mr. Pranav Lavhe from Suryodaya College of Engineering and Technology, Nagpur, receiving the First Prize of ₹3000

Mr. Saurav Sontakke from Science College, Pauni (Dist: Bhandara), receiving the Second Prize of ₹2000

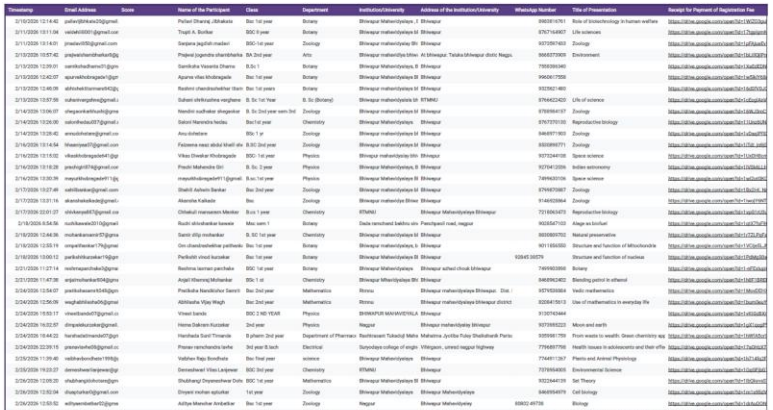

Ms. Ruchi Shivshankar Kawale from Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur; receiving the Third Prize of ₹1000
