DETAILED REPORT OF THE ACTIVITY	A One-Day Workshop on "Cyber Security and Legal Provisions" was organized by the ICT Committee and NCC Unit of Bhiwapur Mahavidyalaya, in collaboration with Bhiwapur Police Station, to create awareness about cyber threats, online safety and legal remedies related to cybercrime. The Programme was presided over by Dr. Jobi George, the Principal

	of our College, who emphasized the importance of digital literacy, cyber safety and legal awareness. Colonel Vikas Chandar Sharma, Commanding Officer, joined virtually and highlighted the significance of discipline and responsible conduct in the digital environment. The IQAC Coordinator Asso. Prof. Dr. Anita Mahawadiwar, along with the members of the teaching staff of our College, Police Patils, Police Mitras and NCC Cadets, participated in the Workshop. The Keynote Speaker, Mr. Jaiprakash Nirmal, provided practical insights into cybercrime, cyber threats and preventive measures. He stressed the importance of strong passwords, protecting personal information, avoiding suspicious links and messages, and exercising caution on social media. He also explained the legal provisions and procedures for reporting cyber offences. The interactive session helped the participants understand emerging cyber risks and encouraged responsible and safe use of digital technology. The participation of NCC Cadets, teachers, Police Patils and Police Mitras, reinforced the importance of collective efforts in promoting cyber awareness. The Proceedings of the Event were conducted by ANO Lt. Dr. Yogesh More, and JUO Akansha Warthi proposed the formal Vote of Thanks. The collaborative efforts of the ICT Committee, NCC Unit and Bhiwapur Police Station contributed to the successful organization of the Workshop.
PROGRAMME OBJECTIVES	• To create awareness about cyber security and emerging cyber threats. • To educate the participants about common forms of cybercrime, including online fraud, identity theft, and phishing and data breaches. • To promote safe and responsible use of digital devices, social media and online services. • To familiarize the participants with basic cyber-safety measures,

	such as strong passwords, data protection and avoiding suspicious links and messages. • To create awareness about the legal provisions related to cyber offences. • To inform the participants about the appropriate procedures for reporting cybercrime. • To develop vigilance and responsible digital behaviour among students, teachers and community members. • To encourage collective efforts among educational institutions, police and the community in preventing cybercrime. • To empower NCC Cadets, Police Patils and Police Mitras to spread cyber-safety awareness at the community level. • To promote digital literacy and a culture of cyber-safe practices.
PROBLEMS FACED, IF ANY	1. **Limited Time for Interactive Discussion**: The one-day format provided limited time for detailed discussions, practical demonstrations and addressing individual queries related to cyber security. 2. **Awareness of Emerging Online Frauds**: Keeping the participants updated about the latest methods used by cybercriminals, including phishing, fake links and online scams, remains an on-going challenge. 3. **Promoting Responsible Digital Behaviour**: Encouraging the participants to consistently follow safe online practices and maintain cyber hygiene requires continuous awareness and follow-up beyond a single Workshop. 4. **Reaching the Wider Community**: Extending cyber security awareness to the broader community, particularly people with limited digital literacy, remains a continuing challenge. Overall, the challenges were effectively addressed through expert guidance from the Police Inspector, active participation of the ICT Committee and NCC Unit, and collaboration with Bhiwapur Police Station. The Workshop provided a strong foundation for continued cyber security and legal awareness initiatives in the institution and community.

IMPACT/OUTCOME ACHIEVED	• Created awareness about cyber security and emerging cyber threats. • Educated the participants about common forms of cybercrime, including online fraud, identity theft, phishing and data breaches. • Promoted safe and responsible use of digital devices, social media and online services. • Familiarized the participants with basic cyber-safety measures, such as strong passwords, data protection and avoiding suspicious links and messages. • Created awareness about the legal provisions related to cyber offences. • Informed the participants about the appropriate procedures for reporting cybercrime. • Developed vigilance and responsible digital behaviour among students, teachers and community members. • Encouraged collective efforts among educational institutions, police and the community in preventing cybercrime. • Tried to empower NCC Cadets, Police Patils and Police Mitras, to spread cyber-safety awareness at the community level. • Promoted digital literacy and a culture of cyber-safe practices.
ANALYSIS REPORT OF THE FEEDBACK OBTAINED FROM STUDENTS/ BENEFICIARIES/ ACADEMIC PEERS ETC.	The Workshop was highly informative, relevant, and well-organized. The expert guidance on cyber security and legal provisions enhanced the participants' awareness of digital safety and responsible online behaviour. The collaboration among the College, NCC Unit, ICT Committee, and Bhiwapur Police Station made the Programme impactful and practical. Such initiatives are commendable and should be conducted regularly to strengthen cyber awareness among students and the community.
